Transported medium is:	<input type="checkbox"/>	explosive	<input type="checkbox"/>	toxic
	<input type="checkbox"/>	corrosive	<input type="checkbox"/>	inert
	<input type="checkbox"/>	Biologically dangerous	<input type="checkbox"/>	
	<input type="checkbox"/>	Harmful to health	<input type="checkbox"/>	
Applied clening substances:				
Flushing medium:				
„We hereby confirm to have filled in this form completely and truthfully to our best knowledge, and to have thoroughly cleaned the component parts sent.”				

**Area of application and purpose**

We require the signed “declaration of decontamination” due to legal regulation and for the protection of our employees and our operating equipment before your order can be processed. Please fill in this form completely and attach it visibly on the outside of packing including any handling advice if applicable.

**Any goods sent without filled in declaration of decontamination will remain unopened in our blocked storage area for security reasons until the declaration of decontamination has been handed in.**
